

SEEK JUSTICE.

STATE ATTORNEY'S HIGH SCHOOL INTERNSHIP PROGRAM JUNE 8 -13, 2026

Step Into Justice. Learn. Serve. Lead.

Join State Attorney Monique H. Worrell for a one-week immersive experience in community-centered prosecution. This is your chance to explore how real justice is built—from the courtroom to the community.

What You'll Do

- Shadow attorneys, victim advocates & investigators
- Attend courtroom proceedings
- Participate in a mock trial
- Explore diversion programs & restorative justice
- Learn how policy and public safety intersect

Focus Areas

- Criminal Justice Reform & Policy
- Victim Advocacy & Community Engagement
- Juvenile Justice & Diversion Programs

Who Should Apply

- High School Students — 9th-12th Grades
- With an interest in law, or public service
- No prior legal experience needed—just a passion for justice and community

Why It Matters

The program centers values over volume. It's not about how many convictions—it's about how we create justice with our community, not against it. Whether you're considering law school, community advocacy, or just curious about how change happens, this internship offers a launchpad for your voice, vision, and values.
